To the membership,

On behalf of the GHJA Board of Directors, I would like to congratulate all of you on another wonderful show season. It has been another record year for our organization, and we are very excited to offer this show as its culmination. I would like to thank my fellow GHJA board members and their committee members for their dedication. Over the past two years we have navigated unprecedented challenges and this group has gone above and beyond with their time and energy.

This show serves as a celebration of the accomplishments of rider and horse. It also serves as a moment for our community to come together. This year we will not only celebrate ourselves, we will also honor some important GHJA members that are no longer with us. Earlier this year, we were saddened by the loss of Barbara Macon. Barbara was a founding member of the GHJA and was a staple in our community. This may be the first GHJA finals ever held without her presence. We were also devastated by the loss of our fellow board member and Treasurer Karen Hood. Karen was the chair of our finals committee and worked tirelessly on this show before her passing. Even in her hospital bed she worked on the show to keep her mind occupied. She felt like she needed to make sure that this show was everything that our members deserved. I would like to give a special thanks to Anna Bomar and Cheryl Sims for stepping up to take over this years finals and for working so hard to bring Karen's vision to life.

I look forward to honoring the legacy of these amazing women not only at these finals, but for the rest of my career. I encourage all of you to do the same. We have an amazing community that is full of remarkable people, and I am grateful to know so many of you. So to all of you, best of luck at this year's finals and congratulations for your accomplishments this year.

With my thanks,
Jay Sims
GHJA President

Horsemanship Test

Sponsored by
The Bleakly Family

Specifications

GHJA is please to host the annual horsemanship test. This will be a written test created by members of the GHJA Board of Directors, local professionals and referencing to the USHJA TCP/ EAP manual. The written test will take place Friday November 19, 2021 from 2:00 – 4:00 PM in the Concession Stand during GHJA Finals. Upon completion of the written test in three different age groups (11 & Under, 12-14 and 15-17) the four top scoring candidates in each age group will schedule a hands-on practicum session at the finals. If you do not have a horse or association with a farm at the finals one will be provided for you.

Remember you must be a member of GHJA to participate in the test and must include your GHJA number on the test. No cell phones will be permitted while taking the test and you may use the full 2-hour window if needed. This is a great opportunity to show your horsemanship skills. You do not need to be showing at the finals or even horse show at all! Horsemanship does not begin and end in the tack. GHJA will award 1st through 8th place at the 2022 GHJA banquet. The top three winners will also receive grants. Winners will be notified prior to the 2022 banquet.

If you have any questions, please email Sunny Stevens: stevehaven@mindspring.com
Best of luck and encourage yourself and others to participate. **Sign up on HorseShowsOnline.com**

We are so proud of your accomplishments as a rider and the goals you've set for yourself like making it to Zone 4 Jumper Finals this year! The lessons you've learned through your years of riding will serve you well in life. As you prepare to graduate from high school this year, our prayer is that you will continue to pursue your passions, keep being brave and NEVER forget who or whose you are…we are SO incredibly proud of you!
